## **Summer Dates 2008**

### **“Catch 1,000 passes in 2 days”**

\*This camp is run in conjunction with the Big Gun Quarterback Camp\*

**What:** This camp is designed to teach and demonstrate drills that will make all high school receivers better players. After leaving this camp receivers will have worked on drills that they can take home with them to work on all spring and summer to prepare for the upcoming season.

**Coaching:** These drills are the same that are employed by Lowell High School Head Coach Noel Dean when developing and teaching his own players. Over the past 12 years Lowell has won 85% of their games, and 2 state titles. Much of their success has come from the abilities of their receivers. Other selected high school coaches and his assistants will be providing instruction.
